

California Department of Fish and Game
Game Bird Heritage Special Hunt Program
2008 Apprentice Pheasant Hunts for Juniors Application

Please print clearly and complete each section. **Incomplete applications will be rejected.** All applicants must have a valid 2008-2009 California **junior** hunting license number on the application to be accepted. You may apply as a party of two, as long as both hunter names and hunting license numbers appear. Hunters may only apply **once**—either as a party leader or an additional hunter—and any duplicate applications will be disqualified. Non-hunters need not be declared on the application. Deadline to apply depends upon the individual hunt so be sure to know your hunt deadline(s). **Applications must be received by 5:00 p.m. on the date of the hunt deadline.** All random drawings will take place immediately following the hunt deadline. Successful applicants will be notified by mail approximately one week after the drawing. To allow a maximum number of hunters to participate, applicants may submit only one application per game species for all special hunts during the 2008 season.
